MEMORANDUM FOR THE RECORD (ONE Distribution Only)

SUBJECT: Attendance of Course on Safeguard System

1. During the week of 6 April, the undersigned attended the Army's course for planners of the Safeguard ABM system at Fort Bliss, Texas. The three-day course is supposed to provide current information on all aspects of the system including management planning and research and development. It was clear from the outset, however, that several of the presentations relied heavily on dated data.
